**Durchhalten!**

Hey! Here's the story of the **SchnitzelAlm Racing Ravenol Mercedes-AMG Motorsports GT2** and my co-drivers Mortiz Wiskirchen, Jay Mo Härtling and Mikael Grenier in the 2023 **ADAC TotalEnergies 24 Hour Nürburgring**. We fought back from dead last to 42<sup>nd</sup> overall and 2<sup>nd</sup> in the SPX class.

Night Quali

Looking for speed in the dark, I cut down one of my Pirelli tires on some debris

Günter - Get a flat tire and this guy will tell you, "Slow down!" in German. I don't speak German, but I got gist of it!

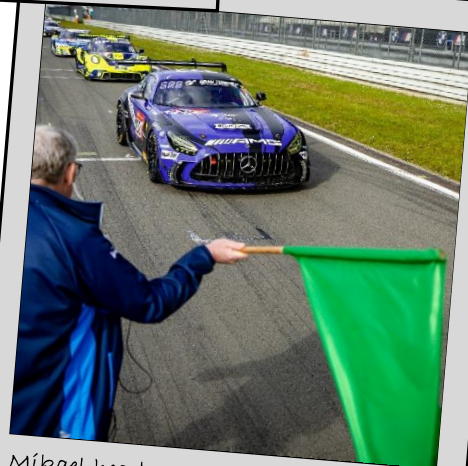

Clean headlights are highly appreciated. The Eifel is dark!

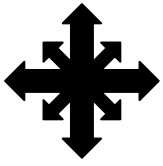

Steilstrecke - This is supposed to be a good place to have a breakdown in the race - free beers!

My turn for another lap in Q3

Mikael heads out for Top Qualifying - Fastest non-GT3 car and 5 seconds faster than P2 in SPX!

Race Day!  
AMG drivers' salute to the fans

All the Team  
SchnitzelAlm GT3  
and GT2 drivers

Grid walk Nürburgring-style. 130  
racecars on the grid amongst all the  
people and a castle on the hill.

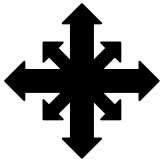

Mikael Grenier was  
seriously quick!

Turn 1, Lap 1, 24 hours to go

Oil line failure early on, these heroes got us back to the box and back on track!  
I hate DNF's!

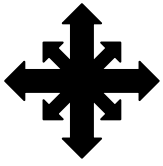

Incredible support from AMG  
Awesome tires from Pirelli

Coming from the back! We were DFL  
in the field after the oil line repair.

Race strategy? Probably just joking  
around with Jay Mo before my first  
stint.

*Driving into the twilight  
for my first stint*

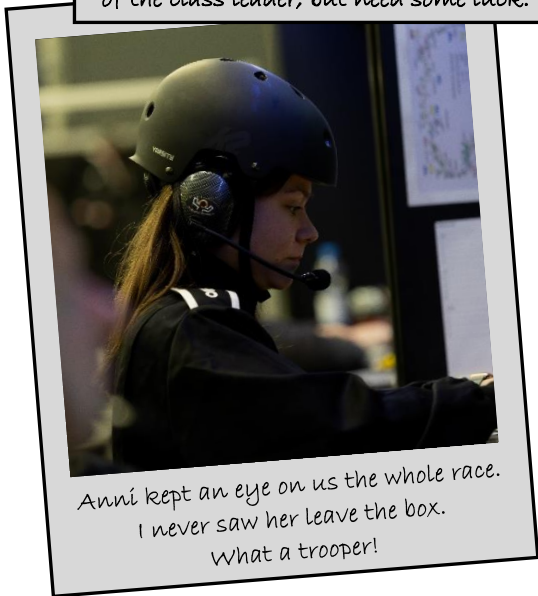

*24 hours of epic pit stops from  
Team SchnitzelAlm Racing*

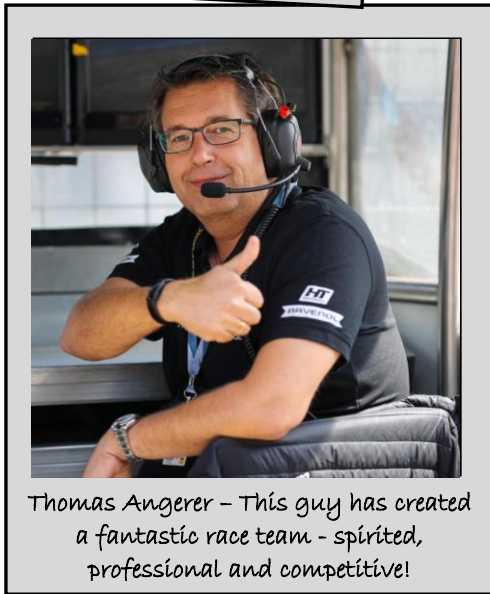

*In the Caracciola Karussell  
we've fought back to within three laps  
of the class leader, but need some luck.*

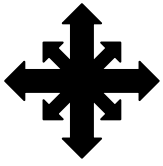

*Both SchnitzelAlm GT3 cars were out  
of the race after 12 hours. It was up to  
the #222 to carry the flag to the finish.*

*Anni kept an eye on us the whole race.  
I never saw her leave the box.  
What a trooper!*

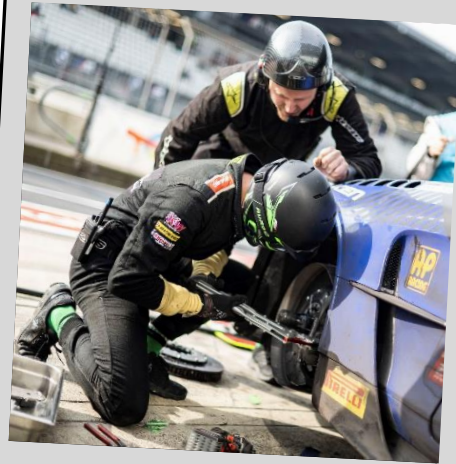

*Thomas Angerer - This guy has created  
a fantastic race team - spirited,  
professional and competitive!*

Air time in Pflanzgarten in my double stint.  
This car is a beast!

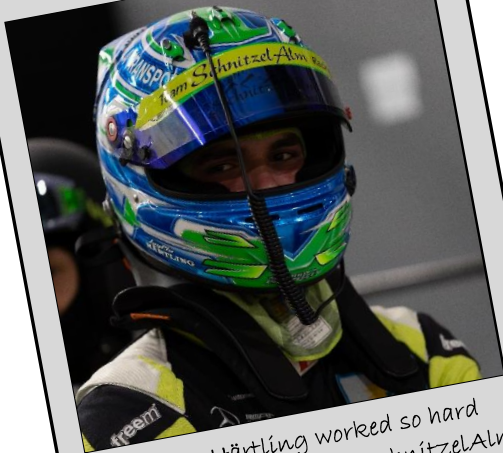

Fresh rotors for the run to the checkered flag

Showing the proper respect for the curbing in Wippermann. The damping in the GT2 eats up the curbs!

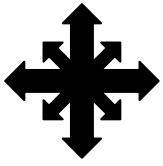

Ready for another stint

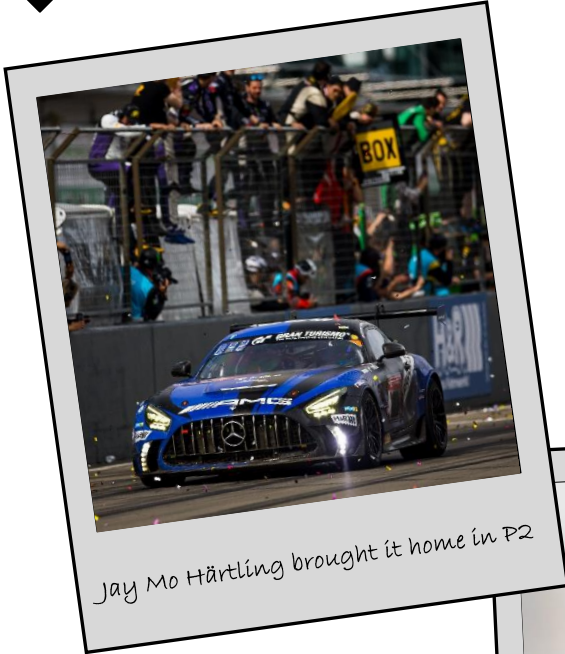

Jay Mo Härtling worked so hard preparing the car in the SchnitzelAlm shop and was super quick on track.

I was stoked with my stints and so was Günter! Set my personal best time around the Nürburgring.

Jay Mo Härtling brought it home in P2

With Robin and Marcos before my final stint. These guys came from the States just to hang out!

It was an absolute honor and pleasure to drive for SchnitzelAlm Racing in the AMG GT2
